FEE SCHEDULE

At **Pro Health Care**, we believe quality of care is important. To address complex or multiple matters you may require a longer appointment. It is important to the doctors at Pro Health Care that you have the time to discuss your concerns and health needs. A gap fee facilitates this.

As private General Practice Specialists our policy is that we do not routinely 'bulk-bill' and payment in full is required on the day of service. Payments can be made by EFTPOS or Credit Card (VISA/MasterCard), and your Medicare rebate will be transferred to your nominated bank account within 48 hours of your appointment.

Fees as of September 1st 2021

Each consultation will be charged a flat fee, including TeleHealth, results, and childhood vaccinations.

- Gold card holders will be 'bulk-billed' for all appointments
- Children in foster care will be 'bulk-billed' for all appointments
- Concession Card Holders / Pensioners bulk billed before 5pm and Children up to the age of 16 are bulk billed

If you are experiencing financial difficulty we encourage you to discuss your situation with your doctor or our friendly receptionists.

Medicare Rebate Information

The patient rebate from Medicare was frozen from 2014 until 2018 and the most recent increase was below the consumer price index. The costs of running our private business continue to rise, and your patient Medicare Rebate now represents about half of the full cost of your GP care. We would encourage you to discuss any concerns you have about your Medicare Rebate with your Federal Member of Parliament.
