

ProHealthCare

NORTH ADELAIDE FEE SCHEDULE as of the 1st July 2024

At **Pro Health Care**, we believe quality of care is important. To address complex or multiple matters you may require a longer appointment. It is important to the doctors at **Pro Health Care** that you have the time to discuss your concerns and health needs. A gap fee facilitates this.

As a Private General Practice payment in full is required on the day of service. Payments can be made by EFTPOS or Credit Card (VISA/MasterCard), and your Medicare rebate will be transferred to your nominated bank account immediately (if using a debit card) or within 48 hours if using a credit card.

We will continue to direct bill Medicare (no out of pocket expense) for the following:

- GPMP's (Chronic Disease Management Plans)
- Health Assessments (eg 75+ Health Assessments, 45-49 health checks)
- DVA patients
- Government funded vaccinations

*Children 15 years and under are charged a reduced rate.

CONSULT	PRIVATE FEE	REDUCED	REBATE
Short	\$54.00	\$48.95	\$19.60
Standard	\$90.00	\$84.00	\$42.85
Long	\$176.00	\$154.00	\$82.90
Prolonged	\$259.00	\$221.00	\$122.15

A \$5.50 'Practice Administration Levy' will be applied to all privately billed consultations.

If you are attending with your newborn baby, please apply early for your new Medicare card. Consultations attended without a valid Medicare card will incur the rebate consultation fee. We ask that this fee is paid on the day of consultation. You may then claim your rebate via Medicare once you have your valid Medicare card.

Procedures: Any procedure such as skin excisions, Iron Infusions, Implanon insertion/removal and dressing changes will incur an additional out of pocket fee to cover consumables. Please speak to our doctors or receptionists to provide an accurate estimate of costs.

Medicare Rebate: The patient rebate from Medicare was frozen from 2014 until 2018 and the most recent increase was below the consumer price index. The costs of running our private business continue to rise, and your patient Medicare Rebate now represents about half of the full cost of your GP care. We would encourage you to discuss any concerns you have about your Medicare Rebate with your Federal Member of Parliament.
